## **Year 7 Art Scholarship**

Pupils must bring a portfolio of eight or more pieces using at least two of the media listed, e.g. drawing, painting, printmaking, collage, photography and ceramics/3D. Any ceramics or 3D must be photographed from different angles and presented in the portfolio. Please do not bring the actual ceramic or 3D work.

Project prior to assessment:

Choose three different objects. One made of glass, a natural form such as shell, pod, fruit and a soft object e.g piece of cloth, a feather etc. Place them together into an interesting arrangement.

Draw with pencil the objects you have grouped together onto an A3 sheet of paper using line and tone. Make sure your composition fills the page.

Take three photographs of your arrangement and mount them on to a sheet of paper to submit with your drawing. Please add this work to your portfolio.

Portfolios in the Friday prior to the assessment.

## **Year 7 Drama Scholarship**

You will need to put together a portfolio of work. This should include programmes and/or information from any drama productions in and outside of school you have been involved in (including prep school); LAMDA certificates or equivalent; any other documents you deem relevant/appropriate.

A two-minute monologue is required and this should be learnt by heart and rehearsed ready for performance. This will be performed in front of the Head of Drama on the day and then a short interview with the Head of Drama will commence afterwards. You need to ensure that you choose something which challenges you and that showcases your talent and ability range. Please also provide a typed copy of the monologue on the day.

You will need to provide a referee. This could be a teacher, tutor, housemistress/master or LAMDA teacher. The reference should be relevant to the type of scholarship you are applying for.

## Year 7 Sport Scholarship

Each year a number of awards are made to candidates who, whilst being academically ambitious, can make a significant contribution to the sporting success of the school. These individuals will be major Games players with the major games for boys being Rugby, Football, Hockey and Cricket and for girls being Hockey, Netball and Tennis.

It is likely that successful applicants will currently be playing one of the major games to at least county level or above. They will have made a significant contribution to the life of their current school and are expected to make the same commitment to Worth. They will also be expected to contribute to major games other than their preferred sport and in so doing, provide a role model for others.

Those selected will be expected to show initiative and possess strong personal qualities of leadership, morality/fair play and loyalty. They will have a strong desire to succeed and work well with other team players.

Award holders will be expected to satisfy the School's normal entrance requirements at the appropriate stage. The value of the award is at the Head Master's discretion, depending on the suitability and credentials of the candidate.

Application Procedure:

Reports on the ability and attitude of the candidate will be required from the student's current Head, Coaches and P.E. teachers. Details of achievements and representative honours must be included on the Scholarship Application Form and copies of certificates should be included in the portfolio. Students must also complete a self-evaluation of their strengths and weaknesses and in no more than 200 words, describe the contributions that they will make to Sport at Worth.
