

A Wider Curriculum full of choice 2017/18

We encourage pupils to take advantage of the wide range of extra-curricular activities on offer. Almost all activities can be related to either the Duke of Edinburgh scheme in which Worth has a long tradition, or Community Action and Service for IB pupils. Below is a selection of the many activities available in 2017-18. Please note that some activities are specifically tailored for junior, middle school or senior students and we can provide further details on request.
