

Examination Results

IB Summer 2017

35.7

average points per candidate at Worth
(35 is equivalent to one A* & two A grades at A level #)

30.2

world average points per candidate

20% achieved 40+ points (equivalent to four A* grades at A level #)

40% achieved 38+ points (equivalent to five A grades at A level #)

Almost a third of Worth candidates achieved the full three bonus points (for their Theory of Knowledge and Extended Essay work) compared to less than 10% globally.

One candidate achieved a perfect score – only 0.3% of candidates globally achieve this! 45.0 is the equivalent of five A* grades at A level #
